## User Question

Here is my question with **bold text** and *italic text*.

### Sub-heading

- Point 1
- Point 2
- Point 3

## Assistant Response

Here is my response with proper **markdown formatting**:

### Key Points

1. First important point
2. Second important point
3. Third important point

Here is some `inline code` and a code block:

```
javascript
console.log("Hello, world!");
```
